

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MARYLAND

MARIA VINAS
on Behalf of Herself and All
Others Similarly Situated
v. Civil Action No. DKC 14-3270
CREDIT BUREAU OF NAPA COUNTY,
INC., d/b/a Chase Receivables

MEMORANDUM AND ORDER

Presently pending is Plaintiff's motion to compel Defendant to respond to Interrogatory no. 16: "State whether Chase's net worth is equal to or exceeds \$50,000,000. If not, set forth the description and value of each of Chase's assets and liabilities." Chase objected "on the grounds that the Plaintiff would only be entitled to said information after an Order by the Court certifying this lawsuit as a proper class action pursuant to Fed.R.Civ.P. 23."

Plaintiff contends that net worth information is relevant to statutory damages recoverable pursuant to 15 U.S.C. § 1692k(a)(2)(B), and that the case has not been bifurcated in any manner between merits and damages. Defendant did not respond to Plaintiff's motion to compel.

Defendant will be directed to respond to Interrogatory no. 16. Neither party objected to the unified scheduling order.

Discovery closes September 16, 2015, and motions are due October 16. Accordingly, it is this 21st day of August, 2015, by the United States District Court for the District of Maryland, ORDERED that Plaintiff's motion to compel (ECF No. 34) BE, and the same hereby IS GRANTED, and Defendant is directed to respond to Interrogatory no. 16 within 7 days.
